Fazer designs únicos aliados a uma responsabilidade ambiental é o foco da nossa empresa. Inovar com soluções focadas na sustentabilidade: neste encaço, a certificação FSC® garante o uso controlado das florestas e certifica os nossos produtos. A meta são os produtos 100% reciclados, como é o caso do material SEAQUAL e rPet usado em marroquinaria. O objetivo estende-se também ao papel e temos uma linha de papel 100% algodão, reciclado de roupas velhas. Sustentabilidade é o que nos leva a inovar e a inspirar os consumidores a reduzir o impacto ambiental.
